

# For Employee Benefit Consultants & Brokers

## An Experienced and Trusted Vendor

Each year BMI works with hundreds of small and large employee benefit consultant and brokerage firms throughout the U.S. to provide their clients with unmatched health care cost containment solutions. Founded in 1998 and based in South Bend, Indiana, BMI has become one of nation's leading benefits auditing firms. Our national client base ranges in size from those with less than 100 employees to Fortune 500 firms and public entities.

## Innovative Solutions & Technology

BMI employs the latest technologies to each and every audit conducted. Whether it's because of BMI's proprietary and internally-developed software, AUDiT iQ™ or ability to provide unique customized audit solutions, BMI has assisted thousands of employee benefit consultant and brokerage firms and their clients. BMI's independence means that there are no competing products offered. BMI only provides audits.

Solutions like claims and dependent eligibility audits provide short and long-term measurable financial savings to both self-insured and fully-insured organizations. Solutions include, but are not limited to:

- **Claims Audits**
  - ✓ Medical
  - ✓ Prescription Drug
  - ✓ Dental
  - ✓ Vision
- **Dependent Eligibility Audits**
  - ✓ Comprehensive
  - ✓ Affidavit Only
  - ✓ Spousal Carve-out / Surcharge
  - ✓ Ongoing
